## PROTECTIVE COATINGS

Bathroom accessories are treated with a clear lacquer to help maintain the finish. A wax formula is applied to other products within the Artisan Range which in time and usage will allow the original colour of the product to slowly age, giving each piece its own natural uniqueness. However, periodic wiping with fine light beeswax on a soft cloth will further help to preserve the look of the product. \*\* ALL PRODUCTS ARE FOR INTERNAL USE ONLY \*\*

- 8.6 A claim by the Buyer which is based on any defect in the quality or condition of the Goods or their failure to correspond with specification shall (whether or not delivery is refused by the Buyer) be notified to the Seller within three days from the date of delivery or (where the defect or failure was not apparent on reasonable inspection) within a reasonable time after discovery of the defect or failure. If delivery is not refused, and the Buyer does not notify the Seller accordingly, the Buyer shall not be entitled to reject the Goods and the Seller shall have no liability for such defect or failure, and the Buyer shall be bound to pay the price as if the Goods had been delivered in accordance with the Contract.
- 8.7 Where a valid claim in respect of any of the Goods which is based on a defect in the quality or condition of the Goods or their failure to meet specification is notified to the Seller in accordance with these Terms, the Seller may replace the Goods (or the part in question) free of charge or, at the Seller's sole discretion, refund to the Buyer the price of the Goods (or a proportionate part of the price), in which case the Seller shall have no further liability to the Buyer.
- 8.8 Except in respect of death or personal injury caused by the Seller's negligence, or liability for defective products under the Consumer Protection Act 1987, the Seller shall not be liable to the Buyer by reason of any representation (unless fraudulent), or any implied warranty, condition or other term, or any duty at common law, or under the express terms of the Contract, for loss of profit or for any indirect, special or consequential loss or damage, costs, expenses or other claims for compensation whatsoever

- 9.1 If a claim is made against the Buyer that the Goods infringe or that their use or resale infringes the patent, copyright, design, trade mark or other industrial or intellectual property rights of any other person, then unless the claim arises from the use of a drawing, design or specification supplied by the Buyer, the Seller shall indemnify the Buyer against all loss, damages, costs and expenses awarded against or incurred by the Buyer in connection with the claim, or paid or agreed to be paid by the Buyer in settlement of the claim, provided that:
- 9.1.1 the Seller is given full control of any proceedings or negotiations in connection with the claim;
  - 9.1.2 the Buyer shall give the Seller all reasonable assistance for the purposes of any such proceedings or negotiations;
  - 9.1.3 except pursuant to a final award, the Buyer shall not pay or accept the claim, or compromise any such proceedings without the consent of the Seller (which shall not be unreasonably withheld);
  - 9.1.4 the Buyer shall do nothing which would or might vitiate any policy of insurance or insurance cover which the Buyer may have in relation to such infringement, and this indemnity shall not apply to the extent that the Buyer recovers any sums under any such policy or cover (which the Buyer shall use its best endeavours to do);
  - 9.1.5 the Seller shall be entitled to the benefit of, and the Buyer shall accordingly account to the Seller for, all damages and costs (if any) awarded in favour of the Buyer which are payable by, or agreed with the consent of the Buyer (which consent shall not be unreasonably withheld) to be paid by, any other party in respect of any such claim; and

- 9.1.6 without limiting any duty of the Buyer at common law, the Seller may require the Buyer to take such steps as the Seller may reasonably require to mitigate or reduce any such loss, damages, costs or expenses for which the Seller is liable to indemnify the Buyer under this clause.

- 10.2 If this clause applies then, without limiting any other right or remedy available to the Seller, the Seller may cancel the Contract or suspend any further deliveries under the Contract without any liability to the Buyer, and if the Goods have been delivered but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.
